12th -14th March 2027

Venue

**Rajendra Institute of Medical Sciences (RIMS)
Ranchi, Jharkhand, India**

Organiser

**Department of Community Medicine
Rajendra Institute of Medical Sciences (RIMS), Ranchi
(An Autonomous Institute under the Govt. of Jharkhand)
& IPHA Jharkhand Branch**

Invitation

Greetings from the Department of Community Medicine, Rajendra Institute of Medical Sciences (RIMS)!

It gives us immense pleasure and privilege to invite you to the 71st Annual National Conference of the Indian Public Health Association (IPHACON 2027), scheduled to be held from 12th to 14th March 2027 with Pre-conference on 11th March 2027 at RIMS, Ranchi, Jharkhand.

IPHACON 2027 will serve as a vibrant platform for bringing together public health professionals, clinicians, researchers, academicians, policymakers, programme managers, and students from across the country and beyond to exchange knowledge, share experiences, and deliberate on emerging public health challenges and innovative solutions.

The theme of this year's conference, **"Synergizing AI and One Health: Precision Analytics for Human Health, Zoonotic Control and Environmental Resilience"**, reflects the growing need to integrate technological advancements with holistic health approaches. The conference will explore how Artificial Intelligence, Digital Health Innovations, and One Health framework can strengthen disease surveillance, improve health system responsiveness, promote environmental sustainability, and contribute to better health outcomes for all.

Nestled amidst the scenic landscapes, forests, and waterfalls of Jharkhand, Ranchi offers the perfect setting for meaningful scientific engagement, professional networking, and collaborative learning. Alongside a rich academic programme featuring plenary sessions, symposium, workshops, oral and poster presentations, delegates will also experience the warmth, culture, and hospitality of our region.

We warmly invite you to join us in this national endeavour as we collectively envision and shape a healthier, more resilient, and equitable future.

We look forward to welcoming you to Ranchi in March 2027.

With warm regards,

Prof. (Dr) Shalini Sunderam
Organising Chairperson, IPHACON 2027

SCIENTIFIC SESSIONS

CORE SUB-THEMES

HEALTH SYSTEMS, POLICY & GOVERNANCE

- National Health Programmes, Policies and Acts
- Public Health Policy, Advocacy and Implementation
- Public Health Leadership
- Community Engagement in Health Policy Implementation
- Universal Healthcare
- Health Equity
- Social Determinants of Health
- Health Economics and Financing
- Health Management
- Advocacy and Behaviour Change Communication
- Implementation Science
- Health Technology Assessment (HTA)
- Climate Resilient Health Systems

ONE HEALTH, ENVIRONMENT & OCCUPATIONAL HEALTH

- One Health
- Planetary Health
- Environmental Health and Climate Change
- Occupational Health
- Disaster Management
- Public Health Emergency Preparedness
- Pandemic Preparedness and Response
- Global Health Challenges and Solutions
- Tribal Health
- Urban Health
- Migrant Health

COMMUNICABLE DISEASES & IMMUNIZATION

- Communicable Diseases Including Neglected Tropical Diseases
- Emerging and Re-emerging Diseases
- Public Health Surveillance and Data Analytics
- Digital Epidemiology
- Vaccination and Disease Prevention
- Adult Vaccination
- Vaccine Safety & Pharmacovigilance
- Antimicrobial Resistance (AMR)

NON-COMMUNICABLE DISEASES & POPULATION HEALTH

- Non-Communicable Diseases and Prevention
- Mental Health
- Substance Abuse
- Accidents and Injury
- Violence and Health
- Gender and Health
- Disability & Rehabilitation

MATERNAL, CHILD & FAMILY HEALTH

- Maternal Health
- Infant & Child Health
- Adolescent Health
- Reproductive Health and Family Planning
- Nutrition and Dietetics
- Precision Nutrition
- Geriatric Health

DIGITAL HEALTH, AI & INNOVATION

- Artificial Intelligence in Healthcare
- Digital Health and IT Innovations
- GIS in Public Health
- Telemedicine
- Health Informatics
- Big Data Analytics in Public Health
- Precision Public Health
- Genetics and Health

RESEARCH, EDUCATION & ETHICS

- Qualitative Research
- Systematic Review and Meta-Analysis
- Diagnostic Accuracy and Test Efficacy
- Ethics & Laws in Public Health and Research
- Health Professions Education

CLINICAL & ALLIED PUBLIC HEALTH

- Dental Public Health
- Organ Donation
- Palliative Care
- Public Health Nursing
- Mainstreaming & Integrating AYUSH into Public Health

MISCELLANEOUS

- Emerging, Cross-Cutting and Contemporary Public Health Issues, Including but Not Limited to the Above Sub-Themes.
